

Technical Information

Case materialSteel
 Access code4 digits
 Battery operated4 Alkaline "AA" cells
 Fastening methodsBack wall / bottom

Features

- Energy saving
- Security lockout
- Lockout timer
- Battery low detector & warning
- Master code opening
- Non-volatile memory

Measurements

BST-334 H205 x W360 x D378(mm) 12.8 Kgs
 BST-354 H205 x W432 x D416(mm) 15.2 Kgs

Filed patent application in multiple countries for the invention

Bougainvilla residential safe

Personal Service Unit
